

Dr. William Winegard Exemplary Volunteer Involvement Awards 2019

Call for Nominations

The University of Guelph plays a significant role in our community. Since its founding in 1874, students, faculty and staff have volunteered with countless community organizations, agencies and commissions, making Guelph and Wellington County a stronger, more vibrant community.

The Honourable Dr. William Winegard (September 17, 1924 – January 31, 2019) University of Guelph President 1967-1975, embodied the community spirit that is so prevalent at the University of Guelph. It is with great honour that these volunteer involvement awards are named on his behalf.

Introduction

As part of our shared mandate to recognize the accomplishments of our community's volunteers, we are pleased to announce the 12th annual Dr. William Winegard Exemplary Volunteer Involvement Awards for University of Guelph students, faculty and staff.

United Way of Guelph & Wellington and PIN – The People and Information Network have partnered with the University of Guelph to recognize volunteers who demonstrate generosity of time and spirit; have achieved outstanding service performed as a volunteer; inspired others to service; or have made an extraordinary contribution to an organization or issue and/or a single particularly notable accomplishment.

These awards recognize significant community involvement and charitable activities beyond what an individual does as an employee or student of the University. Further, they recognize those activities that enrich the connection between the University of Guelph and the broader community.

Visit PIN, The People and Information Network website for a feature list of past Winegard Award recipients (PINnetwork.ca).
