Invest in the Future of Volunteerism

PIN has a 20 year history of inspiring and connecting individuals with meaningful volunteer opportunities. Through our Membership Services, PIN supports nonprofits and charities to recruit and recognize the efforts of volunteers.

As we lead into the future, we invite you to invest in volunteerism. Your support strengthens the work we do to spark and engage our community to volunteer. Through one to one connections, outreach and promotion, PIN engages with our community to answer questions, provide one to one individualized support to help find their best match and to encourage our community to get involved.

Your support strengthens the future of volunteerism in Guelph Wellington.
